

# THE GYM of Springfield

## COVID -19 Protocols for LEAGUE PLAY beginning in December 2020

We want to provide a safe environment. With the ever-changing environment, *these protocols may be updated as new information arises.* These protocols will attempt to provide a safe environment for our student-athletes to compete.

### a. Flow of traffic

- i. Customers may only use Entrance doors into the facility
- ii. Customers may only leave through the Exit doors
- iii. Doors into the two gyms will remain open

### b. Concession Area and Spectator Seating

- i. Tables in the Concession Area will be limited as will chairs, please do NOT move chairs from one table to the next
- ii. For those staying to watch, masks are required and please distance yourselves if using the bleachers

### c. Masks

- i. All players and spectators must wear masks when entering the facility, once the player/coach takes the court they can remove the mask
- ii. Spectators are required to wear masks and social distance
- iii. We encourage the at risk population to not attend

### d. Game Management

- i. If your player is not feeling well, please keep them home
- ii. Players need to bring their own water bottles, public fountains will NOT be available
- iii. We ask that not more than two spectators per player attend games
- iv. Basketballs, benches, score tables and bleachers will be sanitized in between each game
- v. For distancing, games in one gym will start on the hour and in the other gym they will start on the half hour
- vi. Teams and spectators must remain in their vehicles in the parking lot until notified they may enter the facility, they will be allowed in when the game prior to theirs is completed, teams have left the facility and the gym is sanitized
